

NC NEWMUSIC INITIATIVE, EST. 2001
EDWARD JACOBS, FOUNDING DIRECTOR

2001-PRESENT
256 WORLD PREMIERES
797 PIECES PERFORMED

Since 2001, the NC NEWMUSIC INITIATIVE has been dedicated to bringing landmark works from music's recent history to our stages, and devoted to revealing some of music's newest creations. This blend of engaging "classic" works along with the introduction of pieces receiving their very first—World Premiere—performances here in Greenville, NC, is the hallmark of our mission.

What follows is a list of works performed at each festival to date; including the identification of pieces which received their Premiere Performance (over 30% of our repertoire); works selected as winners of annual composition competition open to artists worldwide; and music commissioned by the NC NEWMUSIC INITIATIVE.
